

Annual Dues Payments Procedure
(2008)

Our Club has grown significantly in the last few years with over 200 members. As a result, the administrative effort to collect delinquent annual dues, FOID card information, and round fees has increased. In an effort to minimize this effort and to maintain a positive cash flow the following payment rules have been implemented.

Annual Due

- All dues shall be payable/post marked by March 1 of each year. Any member that has not paid (post marked) by March 1 will be required to pay new membership dues of \$175.00 and to complete the new membership application process in order to be reinstated.

FOID Card Updates – Effective July 1, 2007

- A \$25.00 late fee will be assessed and shooting privileges will be suspended if a response is not received within 30 days of a written request for updated information from the Treasurer's Office.

Target Fees – Effective July 1, 2007

- It is suggested that rounds be prepaid or as required by the by-laws paid monthly. If a member is billed for rounds and payment is not received within 30 days, a \$25.00 late fee and suspension of shooting privileges will be in effect until the rounds and late fee are paid.
- If a member is billed more than twice in one year, the rounds, \$25.00 late fee, and the suspension of shooting privileges will start with the third billing.

Failure to comply with any of the above will also require that all keys be returned to the Treasurer's Office.
